

# Spiderwebs

No Doubt

You think that we connect  
That the chemistry's correct  
Your words walk right through my ears  
Presuming I like what I hear  
And now I'm stuck in the  
The web you're spinning  
You've got me for you prey

[Pre-chorus:]  
(Yeah) Sorry I'm not home right now  
I'm walking into spiderwebs  
So leave a message  
And I'll call you back  
A likely story, but (Yeah) leave a message  
And I'll call you back

You're intruding on what's mine  
And you're taking up my time  
Don't have the courage inside me  
To tell you, "Please let me be"  
Communication, a telephonic invasion  
I'm planning my escape...

[Pre-chorus]

[Chorus:]  
And it's all your fault  
I screen my phone calls  
No matter who calls  
I gotta screen my phone calls

Now it's gone too deep (Now, it's gone too deep)  
You wake me in my sleep (Wake me in my sleep)  
My dreams become nightmares (Dreams become nightmares)  
'Cause you're ringing in my ears

[Pre-chorus]

[Chorus]

Ooh, the spiderwebs  
Leave a message and I'll call you back  
I'm walking into spiderwebs  
So, leave a message and I'll call you back  
I'm walking into spiderwebs  
It's all your fault, no matter who calls  
I gotta screen my phone calls  
It's all your fault, it's all your fault

No matter who calls, no matter who calls

I'm walking into spiderwebs so,  
Leave a message and I'll call you back

I'm walkin into spiderwebs  
Leave a message and I'll call you back  
Ooh, it's all your fault

No matter who calls  
I gotta screen my phone call

It's all your fault  
No matter-matter-matter who calls  
I screen my phone calls

[Fading:]  
I'm walkin into spiderwebs  
Leave a message and I'll call you back
