

Tragic Kingdom

No Doubt

Once was a magical place
Over time it was lost
Price increased the cost
Now the fortune of the kingdom
Is locked up in its dungeon vaults
The castle floor lies in traps
With coiled wired set back
Decoyed by old cheese
Now the drawbridge has been lifted
As the millions

They drop to their knees
They pay homage to a king
Whose dreams are buried
In their minds

His tears are frozen stiff
Icicles drip from his eyes
The cold wind blows as it snows
On those who fight to get in
On heads that are small
Disillusioned as they enter

They're unaware what's
Behind castle walls
But now it's written in stone
The king has been overthrown
By jesterly fools
And the power of the people
Shall come to believe they do rule
They pay homage to a king
Whose dreams are buried
In their minds
His tears are frozen stiff

Icicles drip from his eyes
Welcome to the tragic kingdom
Cornfields of popcorn
Have yet to spring open
Have they lost their heads
Or are they just all blind mice
We've heard all their stories
One too many times
Hypnotized by fireflies
That glow in the dark
Midgets that disguise themselves
As tiny little dwarfs

The parade that's electrical
It serves no real purpose
Just takes up a lot of juice
Just to impress us
They pay homage to a king
Whose dreams are buried
In their minds
His tears are frozen stiff

Icicles drip from his eyes
Welcome to the tragic kingdom
Cornfields of popcorn
Have yet to spring open
