

# Undercover

No Doubt

Curiosity

A cat up in a tree  
Want you to get me down  
But I'm scared of what I'll see  
I need a private eye  
To see through your disguise  
'cause I wanna know everything  
Oh I'm lookin' down deep inside you  
And I want to climb in but I can't do it  
I'm so scared of what I might find there  
Do you have something to hide and you can't show it?  
I think I'm getting hot  
Try to connect the dots  
You're on your tip-toes  
Trying hard not to get caught  
Some things are unexplained  
Some people can't be tamed  
But I wanna know everything  
Oh I'm lookin' down deep inside you  
And I want to climb in but I can't do it  
I'm so scared of what I might find there  
Do you have something to hide and you can't show it?  
And I want to believe you  
I want to believe that you're giving it all up for me  
You're so undercover  
Keepin' it all hush-hush  
What happened to us?  
I can't believe, give it up  
So I can get your love  
I can't believe this  
Oh I can't take it  
Oh I'm gonna eat you up  
I can't believe this  
Under the covers  
Oh I'm lookin' down deep inside you  
And I want to climb in but I can't do it  
I'm so scared of what I might find there  
Do you have something to hide and you can't show it?  
Oh I'm lookin' down deep inside you  
And I want to climb in but I can't do it  
I'm so scared of what I might find there  
Do you have something to hide and you can't show it?  
And I want to believe you  
I want to believe that you're giving it all up for me  
You're so undercover  
Keepin' it all hush-hush  
Oh I'm looking in your eyes  
I wanna to grab you and I can't do it  
I wanna take you back to real life  
I wanna love you and I hope that I won't prove it  
I wanna look down in your eyes  
I wanna take off your disguise
