Happy For The First Time

No Fun At All

Coming around with a pain in my head Wondering what I have done Nobody sees me nobody cares Don't have to bother to run

Searching my head for figures and facts
That I don't even know what they mean
Have to find and try everything
And there is nothing that I wouldn't do

Running around with a thought in my head Spending my days in a hurry Looking for senses can't take defeat Soon there is no reason to worry
