

## Nothing I Wouldn't Do

### No Fun At All

Coming around with a pain in my head  
Wondering what I have done  
Nobody sees me nobody cares  
Don't have to bother to run

Searching my head for figures and facts  
That I don't even know what they mean  
Have to find and try everything  
And there is nothing that I wouldn't do

Running around with a thought in my head  
Spending my days in a hurry  
Looking for senses can't take defeat  
Soon there is no reason to worry
