

## Where Eagles Dare

No Fun At All

We walk the streets at night  
We go where eagles dare  
They pick up every movement  
They pick up every loser  
With jaded eyes and features  
You think they really care

I ain't no goddamn son of a bitch  
I ain't no goddamn son of a bitch  
You better think about it baby,  
You better think about it baby, baby

An omelet of disease awaits your noontime meal  
Her mouth of germicide seducing all your glands

I ain't no goddamn son of a bitch  
I ain't no goddamn son of a bitch  
You better think about it baby,  
You better think about it baby, baby

Let's test your threshold of pain and let's see how long you last  
That's happened in your rape and on bosoms of your past  
With jaded eyes and features  
You think they really care  
Let's go where eagles dare, we'll go where eagles dare

I ain't no goddamn son of a bitch  
I ain't no goddamn son of a bitch  
I ain't no goddamn son of a bitch  
I ain't no goddamn son of a bitch  
You better think about it baby  
You better think about it baby  
You better think about it baby  
You better think about it baby, baby
