Short Term Memory

can't force the issues running over the old safe ground kick out the missives keeping up with the pack feels nice to run away sometimes but now it's time to stand my ground f**k talking, so long. you preach away and carry on with all the folks that you know. can't force the issues running under the old safe sound kick out the missives keeping up with the pack feels nice to run away sometimes but now it's time to stand my ground you f**king talker, so long preach away and carry on with all those f**ks that you know. don't let those from the outside inshort term memory. watch your mouth, boy.
