I'm not alone
'Cause I believe in love
I'm not alone
'Cause I believe in love
I'm not alone

When the night gets cold
Loneliness whistles through the window
I know that she still loves me

And when we're apart Others come and go for a while I know that she still loves me

I'm not alone
'Cause I believe in love
I'm not alone
'Cause I believe in love
I'm not alone

I've been around the world Many faces played a role But I know she still loves me

And I won't mistake any love to be as true 'Cause baby, I knew she still loves me

I'm not alone
'Cause I believe in love
I'm not alone
'Cause I believe in love
I'm not alone

Do, do you
Do you know how much I need you?
Do, do you
Do you know how much I care for you? Care for you

I'm not alone
'Cause I believe in love
I'm not alone
'Cause I believe in love
I'm not alone

I'm not alone
'Cause I believe in love
I'm not alone
'Cause I believe in love
I'm not alone
