And I miss you
Like the deserts miss the rain
And I miss you
Like the deserts miss the rain

And I miss you
Like the deserts miss the rain
And I miss you
Like the deserts miss the rain
And I miss you

I step off the train
I'm walking down your street again
Pass your door
But you don't live there anymore

It's years since you've been there And now you've disappeared somewhere Like outer space You've found some better place

And I miss you
Like the deserts miss the rain
And I miss you
Like the deserts miss the rain

And I miss you $\label{eq:like_state} \mbox{Like the deserts miss the rain} \\ \mbox{And I miss you}$

Could you be dead?
You always were two steps ahead
Of everyone we'd walk behind
While you would run

And the years have proved To offer nothing since you've moved And you're long gone And I can't move on and I miss you

And I miss you
Like the deserts miss the rain
And I miss you
Like the deserts miss the rain
And I miss you

I step off the train
I'm walkin' down your street again
Pass your door
But you don't live there anymore

And I miss you, yeah
Like the deserts miss the rain
And I miss you
Like the deserts miss the rain

And I miss you. ooh
