

## This Masquerade

No Mercy

Check it out  
Are we really happy here  
With this lonely game we play  
Searching for words to say  
Searching but not finding out here  
We're standing anyway  
Where lost, here in this mask, this masquerade  
We're both afraid to say we're not too far away  
No...from being close together  
From the start  
We try to talk it over  
But the words got in the way  
We're lost inside this lonely game we play  
Thought the leaving disappears  
Everytime I see your eyes  
No matter how hard I try  
To understand the reasons that we  
Carry on this way  
We're lost here in this masquerade  
Masquerade...
