

Where Do You Go

No Mercy

Where do you go, my lovely
Where do you go
I wanna know, my lovely, I wanna know

Where do you go, oh oh eh oh
I wanna know, oh oh eh oh
Where do you go, oh oh eh oh...
I wanna know

You leave without a word, no message, no number
And now my head is pounding like rolling thunder
You left me with a heartache deep inside
Girl you should see me cry all night, and I wonder

Everybody says, what a shame, what is wrong
They don't like the game we play
Heard you're hanging round every night until dawn
I'm waiting for you night and day
[repeat 1]

You gotta break the silence, don't keep me waiting
Just like a river flowing to the sea
You're running back to me
Come hear what I'm saying

Where do you go, My Lovely
I wanna know

Where do you go, oh oh oh...
Where do you go, oh oh oh...
I wanna know
Where do you, where do you go?...

Save me...

Come back and dry the tears, I cried for you baby
You've gotta stop this heartache deep inside
You've gotta help me make it through the night safely
Come back and save me
