

# Where Is The Love

No Mercy

Where is the love  
Where is the, where is the love  
I don't know a single reason  
Tell me why you turned your back on me  
I can't find a sign of treason  
My love is build on honesty  
Without you, I'm slowly dying  
I've got a broken heart in me  
I found out, the night ain't lying  
I'm half the man I used to be  
You are the sunshine in the morning  
And my comfort in the night  
But then you left without a warning  
In ecstasy you run and hide  
Where is the love  
Baby don't keep me, don't keep me hanging on  
Where is the love  
I feel like dying  
I'm crying since you've been gone  
Where is the love  
Where is the, where is the love  
Lonely days with my desire  
You're the centerfold of all my dreams  
You're the flame to light my fire  
Higher than a fire's ever been  
You are the sunshine in the morning  
And my comfort in the night  
Where is the love  
Baby don't keep me, don't keep me hanging on  
Where is the love  
I feel like dying  
I'm crying since you've been gone  
Where is the love  
Baby don't keep me, don't keep me hanging on  
Where is the love  
Where is the, where is the love  
Where is the love  
Where is the, where is the love  
Where is the love  
Don't keep me, don't keep me hanging on  
Where is the love  
I feel like dying, I'm crying since you've been gone  
Where is the love  
Baby don't keep me, don't keep me hanging on  
Where is the love  
I feel like dying  
I'm crying since you've been gone  
Where is the love  
Where is the, where is the love  
Where is the, where is the love
