

Dance Alone

No More Kings

Can't wait to do my thing
But the school bell won't ring
It's time to make my escape
First I crawl across the hardwood floor
Sneaking out the back door
Feed my Walkman another mixtape

I feel no danger
Ah, no Macarena
Who let the dogs out
Of the container?
So feel the rhythm call
Have a disco ball
With me
Hey DJ!
Come on and play a song
And it'll set me free!

(I)
Don't wanna dance alone
Don't wanna dance alone
(No I)
Don't wanna dance alone
Don't wanna dance alone
(I)
Don't wanna dance alone
Don't wanna dance alone
(No I)
Don't wanna dance alone
Don't wanna dance alone

Now I'm looking fine
Taking my time
Waiting in line
Inching forward some more
Oh no, check the list
Snap our wrist
Now class is dismissed
And I'm through the door
And I'm on the floor

(Don't wanna dance alone) x4

Ooh, at the table by the jukebox
Cute fox
She knows I feel alright
We are two bird of a feather
We should (something) together
If it takes all night
It could take all night

I chance a glance
Just to make sure that she knows
These pants are for dancing
Just like our rhythm

Just slide a little closer

Let me know you're into the groove
Hey DJ!
Come on and play tune
To make me bust a move

(I)
Don't wanna dance alone
Don't wanna dance alone
(No I)
Don't wanna dance alone
Don't wanna dance alone
(I)
Don't wanna dance alone
Don't wanna dance alone
(No I)
Don't wanna dance alone
Don't wanna dance alone

You've gotta concentrate
Just sitting in your chair
Tax all your muscles
To keep you rocking there
You can hold on the boogie
But you better beware
When the groove gets you moving
It makes you jump up in the air!

Hips start to sway, feet start to tap
Head bobbing up and down and
Forward to back
Elbows bent to allow your arms to swing
Knees start quaking
Legs start shaking
Now you're moving everything!

(I)
Don't wanna dance alone
Don't wanna dance alone
(No I)
Don't wanna dance alone
Don't wanna dance alone
(I)
Don't wanna dance alone
Don't wanna dance alone
(No I)
Don't wanna dance alone
Don't wanna dance alone

I don't wanna dance alone
I don't wanna dance alone
I don't wanna dance alone
I don't wanna dance alone
