## **Something To Hide**

## **No More Kings**

Everybody's got something to hide Oh no, try to change the channel Don't go outside

Everybody's got something to say With their very own radio broadcast Just push play

We're all on a hidden camera show Isn't it nice to know
We're not alone?
You're watching someone
Someone's watching you
We're all caught in the loop
So give a wave
And say hello!

Everybody's got something to share. A top-ten list, the first girl you kissed, Fill in the questionnaire

Everybody's got an evil twin With their hand grenades and you're waiting For them to pull the pin

We're all on a hidden camera show Isn't it nice to know
We're not alone?
You're watching someone
Someone's watching you
We're all caught in the loop
So give a wave
And say hello...

... to the people that miss you
The people you might send this to
And maybe someday you'll be reassured
That when you need some help to get through
And make sure they won't forget you
You've seen it all before
So press record!

Everybody's got ink in their pen Leaking out secrets to my Top eight friends

Everybody's exactly like me Alleycats trapped in a chatroom Click yes to agree

We're all on a hidden camera show Isn't it nice to know We're not alone?
You're watching someone Someone's watching you We're all caught in the loop So give a wave

And say hello!

Hello, hello Hello.
