

# I'll Remember You

No Secrets

It has been so long since we have talked  
I hope that things are still the same  
hoping they will never change  
cause what we had can't be replaced  
don't let our memories fade away  
keep me in your heart for always

You made me believe  
that I can do almost anything  
stood right by me  
through the tears through everything

I'll remember you,  
and baby that's forever true  
you're the one that I'll always miss  
never thought it would feel like this  
I'll be there for you,  
no matter what you're goin' through  
in my heart you'll always be, forever baby  
I'll remember you

I promise you I won't forget the times we shared, the tears we cried  
You'll always be the sun in my sky  
It may be fate that brings us back to meet again someday  
Even though we go seprate ways

You made me believe  
that I can do almost anything  
You stood right by me  
through the tears through everything

I'll remember yooooou,  
and baby that's forever true  
you're the one that I'll always miss  
never thought it would feel like this  
I'll be there for yooooou,  
no matter what your goin' through  
in my heart you'll always be, forever baby  
I'll remember you

If the day should come when you need someone  
(you know that i'll follow)  
I will be there  
Don't ever let there  
be a doubt in your mind  
'cause I'll remember you, you

I'll remember you,  
and baby that's forever true  
you're the one that I'll always miss  
never thought it would feel like this  
I'll be there for you,  
no matter what your goin' through  
in my heart you'll always be, forever baby  
I'll remember you
