I'll Remember You

No Secrets

It has been so long since we have talked I hope that things are still the same hoping they will never change cause what we had can't be replaced don't let our memories fade away keep me in your heart for always

You made me believe that I can do almost anything stood right by me through the tears through everything

I'll remember you, and baby that's forever true you're the one that I'll always miss never thought it would feel like this I'll be there for you, no matter what you're goin' through in my heart you'll always be, forever baby I'll remember you

I promise you I won't forget the times we shared, the tears we cried You'll always be the sun in my sky It may be fate that brings us back to meet again someday Even though we go seprate ways

You made me believe that I can do almost anything You stood right by me through the tears through everything

I'll remember yooooou, and baby that's forever true you're the one that I'll always miss never thought it would feel like this I'll be there for yooooou, no matter what your goin' through in my heart you'll always be, forever baby I'll remember you

If the day should come when you need someone (you know that i'll follow) I will be there Don't ever let there be a doubt in your mind 'cause I'll remember you, you

I'll remember you, and baby that's forever true you're the one that I'll always miss never thought it would feel like this I'll be there for you, no matter what your goin' through in my heart you'll always be, forever baby I'll remember you

Forever baby, I'll remember you
