Skin Deep

Your tellin' me that I'm your queen That nothing matches me You're makin' me feel like a dream The way you flatter me Are you just another fake Or something special? Yeah, yeah, yeah, yeah, yeah, yeah

You're tellin' me that I'm too cool You say I'm beautiful I got to tell you I'm no fool I'm kinda cynical Boy, have you got what it takes? Something special Yeah, yeah, yeah, yeah, yeah, yeah

Don't think this beauty's skin deep (Yeah, yeah, yeah) I need more than you're giving me skin deep (Yeah, yeah, yeah) Get down to the bone Heart and soul, I've got to have it all It's got to be special (Special)

You sit me on the top of your world Can't take your eyes of me You say that I'm your candy girl Well that's oh so sweet Boy have you got what it takes Something special (Yeah, yeah, yeah)

Don't think this beauty's skin deep (Yeah, yeah, yeah) I need more than you're giving me skin deep (Yeah, yeah, yeah) Get down to the bone Heart and soul, I've got to have it all It's got to be special (Special)

Down, down, take it to the bone Get to the beauty within Down, down take it to the bone Got to discover me Down, down take it to the bone Open your mind and come in Down, down, take it to the bone

Don't think this beauty's skin deep (Yeah, yeah, yeah) I need more than you're giving me skin deep (Yeah, yeah, yeah) Get down to the bone Heart and soul, I've got to have it all It's got to be special

No Secrets
