

You're feeling really good and smart  
You passed your test with a high score of 93  
But it doesn't really matter cause you smashed your car  
Time to return to the DMV.  
Parking tickets, too much money, fifty dollar fines  
Sweaty people, last one in a fifty mile line  
Make an appointment now if you can't drive  
it's time you learn  
Just get in the back of the line  
What do you get, what do I get, what do we get?  
Nothing in return  
We make better drivers and make sure the roads are safe  
Then how come kids are dying in car accidents everyday?  
We have the best facilities for learning satisfaction  
First they took my license and then my registration  
Can't stop getting tickets  
don't have the time or money man  
Now they're gonna impound my car! DMV...
