

## Let Me Down

### No Use for a Name

She's never alone, because she's scared of what she might say to herself  
Always drinking in the backroom of the bar where everyone turns in  
in  
A half-hearted grin  
She won't be afraid as long as that prescription keeps going through  
rough  
And all the happy pills make her look like cardboard cut out of someone,  
I use to learn from  
But on the phone, she's telling everyone,  
that there was a blue sky, she left behind  
And there's a place that no one knows about,  
Away from integrity she writes a book in her head that nobody will read  
Whatever you say, please don't talk about the time when she was young  
Apparently that was a different person and so long ago it's strange to me,  
there's no history  
But there's a past and she's telling everyone It must be a garden,  
that wouldn't grow  
With roots of shame, too sensitive to blame to herself as we watch her drown,  
I can't save the queen without a kingdom or a crown  
Somewhere in this lonely game of sympathy there is a selfish dream  
That makes me sick  
Standing on the high wire while you're on the ground  
To you what is dangerous is safe and sound...  
You let me down
