## **Thorn In My Side**

## No Use for a Name

Remember these words "I'll never let you down" "You are my friend and you can talk to me" So why am I? (so why am I?) Still standing all alone That's not the way it's supposed to be Thorn in my side Talk about me, kiss my ass Thorn in my side I felt it jabbing the first time that you lied... Deep inside You gave me silence, I tried to talk to you I got denied and tried to think it through You had no reason, I saw no warning sign You think I'll stick around, you must be on glue So now I'm thinking, you'll turn your back on me The second you find a better place to be It's in our nature to hurt each other I'll never find my place in this world of greed
