

Villain

NOA

[Intro] I am Villain
We in the night drowning all the dark beasts
We in the night I'm a monster it's seems
We in the night I'm a villain, I'm a beast
I'm a villain, I'm a beast
I'm a villain, I'm a beast [Verse 1] What decision to I make they got nothing
On me
But if I make a mistake they got it all right on me
What decision to I make they got nothing on me
But if I make a mistake they got it all right on me I will fight it
I'll survive it all [Hook] Fighting Fighting, Fighting everyone I met
Crying, Crying, Crying every word I said V.I.L.L.A.I.N (Eh Eh Eh Eh Eh)
Ain't it funny how I look bad in the end?
V.I.L.L.A.I.N (Meh Meh Meh Meh Meh)
Ain't it funny how I just end up dead? V.I.L.L.A.I.N (Eh Eh Eh Eh Eh)
Ain't it funny how I look bad in the end?
V.I.L.L.A.I.N (Meh Meh Meh Meh Meh)
Ain't it funny how I just end up dead? [Verse 2/Rap] Si si my, like Peruvian
Doors
I'm waitin' for all the competitors to come up the floor
And they be checking all the competition moving in hoards
I'm like a matador chimin' in the brood for the call
Si brood for the call
Like a cock and a snore
Mr. Model on the roid with a hoof and a nore
What's a nore to the moor?
What's a hawk to a soar?
I'll be flying on the other side breaching a storm Owl with the wisdom
Reaping in
I get them fired up bitches coming in for the sing
And they a nymph for the ring
Watching on puppet strings
I'm a god damn individual hoping to win
I said I hope that I win
Win and singing this thing
Jingle Bell Rock me like bitches is sin
Who get to stomp all over Brutus?
Caesar the King
And I'm Caesar the King
And I'm Caesar the win [Hook 2]
Fighting Fighting, Fighting everyone I met
Crying, Crying, Crying every word I said
Dying, Dying, Die until the very end
I'm a Villain, I'm your man Fighting Fighting, Fighting everyone I met
Crying, Crying, Crying every word I said
Dying, Dying, Die until the very end
I'm a Villain, I'm your man [Instrumental Break] Hit it up now I am Villain
WHAT? Who the f**k gon' get it?
Who the f**k gon' get it?
Who the f**k gon' get it?
Who the f**k gon' get it? [Rap 2] Rumpapapum got my Mazarati roar
Got my Airwave Doc Boots sitting at the door
Alongside guns be sitting at the door
Bullets, grenades be stacked on the walls
Diamonds, rubies, phony lies
All these niggas showing is cubic in the light
We ain't Einstein we understand fine
That diamond ain't your real last name, Cry

Italian Mafia, Black Princess China
Riri in the backseat smoking pot, liars
Nikki, B, Gaga Queen
None of them females got nothing on meYes I'm up to par
Gimme want to back me hallelallah
What?
Come and see me Oosh Bizarre
Damn I'm such a star!
