

## Love of an Orchestra

### Noah and the Whale

If you gotta run, run from hope

I know I'll never be lonely  
I've got songs in my blood  
I'm carrying all the love of an orchestra  
gimme the love of an orchestra (3x)

So now in my deepest sorrow  
there's no need for despair  
I'm carrying all the love of an orchestra  
gimme the love of an orchestra (3x)

If you gotta run, run from hope
