

Not Too Late

Noah and the Whale

I wanna give you a job, while I still can
Wanna find my own way to be a man.
I wanna fight in a war, don't wanna raise my hand
I wanna find my own way to be a man.

You were hoping for so much more,
But it's not too late, no, it's not too late.
I can give you so much more,
But it's not too late, no, it's not too late.

Like the ocean breeze, that passes by,
The giant redwood in Sugar Pine.
It shakes the branch and takes the leaves
I fear the burden of defeat.

You were hoping for so much more,
But it's not too late, no, it's not too late
I can give you so much more,
But it's not too late, no, it's not too late.

And I don't know what I can offer,
But I would offer it to you.
I'm a son and I'm a brother
At least that much I know it's true.

You were hoping for so much more,
But it's not too late, no, it's not too late
I can give you so much more,
But it's not too late, no, it's not too late.
