

# Waiting For My Chance to Come

Noah and the Whale

Well I'm just waiting for my chance to come  
Just a silhouette against the rising sun  
Watch the water, watch the sky  
Count the days as they go by  
I'm just waiting for my chance to come

Well it takes real guts to be alone  
Going head to head with the great unknown  
But there is no sweeter sound, on the kings round I'm bound  
And just waiting for your chance to come

'Cause it's hard to feel like, you're worth something in this l  
ife  
When you're walking next to me, I can hear my body speak  
We're just waiting for a chance to come  
We're just waiting for a chance to come

Your immortal smile is burned in me  
When I close my eyes its all see  
Among the canyons and the stars  
You're the guide inside my heart  
I'm just waiting for my chance to come

And you're just looking for a way outta here  
Yeah, a way to see this old life all disappear  
Take a gamble on your heart, it will lead you through the dark  
You're just waiting for your chance to come

'Cause it's hard to feel like, you're worth something in this l  
ife  
When you're walking next to me, I can hear my body speak  
We're just waiting for a chance to come  
We're just waiting for a chance to come

And no one's gunna get in my way  
Gunna figure it out for myself  
Yeah no one's gunna make me stay  
Gunna figure it out for myself

'Cause I don't need nothing  
I'm just waiting for my chance to come
