

# He Got Away

Noah Gundersen

His love was fearless  
He rode the wind  
Threw like a cannonball  
His gentle limbs

He got away  
Got away  
Got away

Her love was ageless  
She slipped the rope  
Swung like an acrobat  
Her fragile throat

She got away  
Got away  
Got away

Your love was endless  
You pushed so far  
Soared like a golden god  
Your silent heart

You got away  
Got away  
Got away  
Got away

My love was aimless  
I lost the line  
Fell from a shooting star  
My open mind

I got away  
Got away  
Got away

Who-ooo-ooo  
Who-ooo-ooo  
Who-ooo-ooo  
Who-ooo-ooo

His love was fearless  
He rode the wind  
Threw like a cannonball  
His gentle limbs

He got away  
Got away  
Got away  
Got away
