

## Isaiah

Noah Gundersen

Crawl into my skin, I'll crawl into yours  
Teach each other what our bodies are for  
Learn how to sink and you learn how to swim  
Learn how to lose and you learn how to win

So buy me a drink, and I'll buy you a drink  
You don't seem to care what your boyfriend would think  
With the prophet Isaiah on the crook of your arm  
Saying, I will protect you from all earthly harm

Fear thou not, fear thou not  
My right hand will hold you, fear thou not

I call you trouble, you call me friend  
And I had no intention of losing again  
I'm the reason you're guilty, I'm the other man's arms  
Honey, what am I doing, how did I get this far

Fear thou not, fear thou not  
My right hand will hold you, fear thou not

Fear thou not, fear thou not  
My right hand will hold you, fear thou not, fear thou not
