

# San Antonio Fading

Noah Gundersen

Oh my darling  
This is getting harder  
The world is growing smaller  
Everyday

Oh my darling  
Your memory slowly fading  
I know I keep complaining  
But I'm not as strong as I was

When we were younger  
Back in Texas  
When our love was new

But it's not that the love is missing  
It's just not around  
It's just flowing under  
Like rivers underground  
And if I say I love you  
Like you know I do  
Would you say you love me to  
If you do, I'll keep on loving you

Oh my darling  
Can you even remember  
All the time we've spent together  
All the life that we have shared

We were married  
Down by san antonio  
On the shores of corpus christi  
We spoke our vows

When we were younger  
Back in Texas  
When our love was new

But it's not that the love is missing  
It's just not around  
It's just flowing under  
Like rivers underground  
And if I say I love you  
Like you know I do  
Would you say you love me to  
If you do, I'll keep on loving you

Oh my darling
