

# The Ocean

Noah Gundersen

Set your eyes love  
Set your eyes oh, west against the morning  
Cause I have no warning of this  
When they come to wake me up

Set your sights love  
Set your sights oh, far across the ocean  
Cause if I never touch the ocean  
I would only come back home to sleep

But oh, my sight  
Am I alright?  
Am I alright  
Oh, my sight  
Am I alright?  
Am I alright?

Cut your ties love  
Cut your ties, and say I never knew you  
But they'll see right through you  
And you cannot run and hide

But keep your faith love  
Keep the faith, I know it's gonna to bring you life  
I know it's gonna bring you down  
But though the devil may not take you  
You never will escape this love

But oh, my sight  
Am I alright?  
Am I alright?  
Oh, my sight  
Am I alright?  
Am I alright?

Still this burning in my throat  
Is going through all of the motions  
And I will someday come to my home  
And maybe one day I will reach the ocean
