

Cuts Like a Knife

Nocturnal Rites

(Knife, Knife)

(Knife, knife)

There it comes the ship of nails
Down the river it's setting sails
Now I know why they're all so pale

"I carry the dead and the bizarre, I am Naglfar"

What would you recommend?
Could you help me to comprehend?
Will this mean I'm forever condemned?

"Well, that's what you get for killing your best friend"

Don't get me wrong
I killed him all right,
But he stabbed me first
I'm not the one, but that's not the worst...

It cuts like a knife
(Knife, Knife)
"An eye for an eye"
It cuts like a knife
(Knife, Knife)
"I've come for your life"

I don't know, what to do
Can't you see what I'm going through?
Here I am, if you only knew
"I'm back to reign again"

Don't get me wrong
I killed him all right,
But he stabbed me first
I'm not the one, but that's not the worst...

It cuts like a knife
(Knife, Knife)
"An eye for an eye"
It cuts like a knife
(Knife, Knife)
"I've come for your life"

[Solo]

Don't get me wrong
I killed him all right,
But he stabbed me first
I'm not the one, but that's not the worst...

It cuts like a knife
(Knife, Knife)
(Knife, Knife)

It cuts like a knife

(Knife, Knife)
"An eye for an eye"
(Knife, Knife)
It cuts like a knife
(Knife, Knife)
"I've come for your life"
(Knife, Knife)

It cuts like a knife
(Knife, Knife)
"An eye for an eye"
(Knife, Knife)
It cuts like a knife
(Knife, Knife)
"I've come for your life"
(Knife, Knife)
