

## Andromeda Strain

Nocturnus

Modern warfare of today  
Brings forth a new technology  
Killing through Scientific means  
Destroy the world with technology  
Now we'll see what is to be  
Inescapability  
Cloud masses concentrate  
Osmosis fills the sky  
Scattered remains, bodies left to decay  
On this disease stricken earth, plague of Andromeda Strain  
Affected by the gas  
Reduce them to subhuman form  
As i glimpse at, swelled up corpses  
infested with, radiated insects  
Global chaos-Mass confusion  
The conclusion-Of a dying world  
Mankind death is close at hand  
The world is hanging by a strand  
The key to an obliterated land  
No one seems to understand
