

## Lake Of Fire

Nocturnus

Bones crushing  
Skulls smashing  
In the Vice  
Of hell  
Demons shoving  
Tortured souls  
In the lake  
Of fire  
(Chorus 3 Times)  
Lake of fire  
Spirits forming  
Ever swirling  
In the abyss  
Of hell  
Souls screaming For their lives  
In the lake  
Of Fire  
(Chorus 3 Times)  
Lake of fire  
Demons swarming  
Corpses smashing  
Through the gates  
Of hell  
Satan flying  
From his throne  
Towards the gates  
Of Heaven
