

## Standing in Blood

Nocturnus

Now heaven is destroyed by Satan  
he will rise the promised land  
Now your soul will be freed through the gate  
find the KEY to hell  
cross the river known as Styx  
Charon awaits in his boat  
Now your soul will be freed through the gate  
find the seven Keys to hell  
cross the river known as Styx  
kneel before Lucifer's throne
