

Standing in Blood

Nocturnus

Now heaven is destroyed by Satan
he will rise the promised land
Now your soul will be freed through the gate
find the KEY to hell
cross the river known as Styx
Charon awaits in his boat
Now you soul will be freed through the gate
find the seven Keys to hell
cross the river known as Styx
kneel before Lucifer's throne

Jesus Wept - Standing In Blood
Praying To Die - Standing In Blood
