## **Don't Go Away**

## **Noel Gallagher**

A Cold and frosty morning there's not a lot to say About the things caught in my mind And as the day was dawning my plane flew away With all the things caught in my mind

And I wanna be there when you're... Coming down And I wanna be there when you hit the ground

So don't go away say what you say Say that you'll stay Forever and a day...in the time of my life Cos I need more time yes I need more time Just to make things right

Damn my situation and the games I have to play With all the things caught in my mind Damn my education I can't find the words to say About all the things caught in my mind

And I wanna be there when you're... Coming down And I wanna be there when you hit the ground

So don't go away say what you say But say that you'll stay Forever and a day...in the time of my life Cos I need more time yes I need more time Just to make things right

Me and you what's going on? All we seem to know is how to show The feelings that are wrong

So don't go away say what you say But say that you'll stay Forever and a day...in the time of my life Cos I need more time yes I need more time Just to make things right

Don't go away say what you say But say that you'll stay Forever and a day...in the time of my life Cos I need more time yes I need more time Just to make things right

So don't go away...
