Don't Go Away

Noel Gallagher

A Cold and frosty morning there's not a lot to say
About the things caught in my mind
And as the day was dawning my plane flew away
With all the things caught in my mind

And I wanna be there when you're...
Coming down
And I wanna be there when you hit the ground

So don't go away say what you say
Say that you'll stay
Forever and a day...in the time of my life
Cos I need more time yes I need more time
Just to make things right

Damn my situation and the games I have to play
With all the things caught in my mind
Damn my education I can't find the words to say
About all the things caught in my mind

And I wanna be there when you're...
Coming down
And I wanna be there when you hit the ground

So don't go away say what you say
But say that you'll stay
Forever and a day...in the time of my life
Cos I need more time yes I need more time
Just to make things right

Me and you what's going on?
All we seem to know is how to show
The feelings that are wrong

So don't go away say what you say
But say that you'll stay
Forever and a day...in the time of my life
Cos I need more time yes I need more time
Just to make things right

Don't go away say what you say
But say that you'll stay
Forever and a day...in the time of my life
Cos I need more time yes I need more time
Just to make things right

So don't go away...
