

## Listen Up

Noel Gallagher

Listen up what's the time said today, I'm gonna speak my mind  
Take me up to the top of the world I wanna see my crime  
Day by day there's a man in a suit who's gonna make you pay  
For the thoughts that you think and the words, they wont let yo  
u say.

One fine day  
Gonna leave you all behind  
It wouldn't be so bad, if I had more time

Sailin' down the river alone,  
I'll be trying to find my way back home  
But I don't believe in magic  
Life is automatic, but I dont mind being on my own  
No I don't mind being on my own
