

# Slide Away

Noel Gallagher

Slide away - and give it all you've got  
My today - fell in from the top  
I dream of you - and all the things you say  
I wonder where you are now?

Hold me down - all the world's asleep  
I need you now - you knock me off my feet  
I dream of you - and we talk of growing old  
But you said please don't !

Slide in baby - together we'll fly  
I've tried praying -  
but I don't know what you're saying to me

Now that you're mine  
We'll find a way  
Of chasing the sun  
Let me be the one that shines with you  
In the morning we don't know what to do  
Two of a kind  
We'll find a way  
To do what we've done

Let me be the one that shines with you  
And we can slide away, slide away, slide away, away

Slide away - and give it all you've got  
My today - fell in from the top  
I dream of you - and all the things you say  
I wonder where you are now?

Slide in baby - together we'll fly  
I've tried praying and I know just what you're saying to me

Now that you're mine  
We'll find a way  
Of chasing the sun  
Let me be the one that shines with you  
In the morning we both know what to do  
Two of a kind  
We'll find a way  
To do what we've done

Oh, let me be the one that shines with you  
And we can slide away  
Slide away  
Slide away  
Slide away  
Slide away  
Slide away  
Slide away  
Slide away

( I don't know, I don't care)  
(All I know is you can take me there)

Slide away

Slide away  
Slide away  
Slide away  
Slide away  
Slide away

Slide away  
Slide away  
Slide away  
Slide away
