

Cokie the Clown

NOFX

All the way from Palm Springs, just out of detox
Show him a warm welcome, let's get some applause

Greetings all, hello
Welcome to my show
I'm sure you'll have fun
Watching me juggle
8 balls at one time
I'm no fucking mime
I play practical jokes
This squirting flower
That wasn't flour
That blew up your nose
It's my special blend
Of Ex, Coke and K
You should be okay
In several hours

He's got oversized shoes, and ill fitting clothes
That is real blood dripping from his fake red nose

I'm Cokie the Clown
I will trip you down
Those 12 giant steps
I brought you all presents
Against good judgment
But being a good host
You all have been dosed
The kettle corn's been laced
The fudge has been lined
You're having a great time
But you might not recall
From rohypnol
In the lemonade
Cokie homemade

He's the happiest clown with the biggest frown
He's Cokie the Clown
