

## Hold It Back

NOFX

Life is just a bowl of worries  
Or is it just the DUI's  
Distinguish between right and wrong  
Truth and bullshit  
If you can't agree between white and black  
Don't let it get you down  
You just gotta try to hold it back

Try to hold it back! (Try to hold it back!)  
Try to hold it back! (Try to hold it back!)
