

Party Enema

NOFX

Hangin' out in long beach.
A lil' party in the sun, but ya just can't sit there smoking
And drinking anymore.
You got a new jive.
All your friends are getting weird.
Ahhh!
It goes, "you ain't a shakin till the shit shot.
Shoot it up.
No one jammin' til the gin juice jigger jets.
They say it ain't a party til the party enema, the party enema.

You get a funnel tube, pour in a 40 oz.
Pull down your clothes, touch your toes.
Get a hose, hold your nose.
Its a party hat.
Forget the beer bong.
Forget the nitrous shots.
It goes "you ain't a shakin till the shit shot.
Shoot it up.
No one jammin' til the gin juice jigger jets.
They say it ain't a party til the party enema, the party enema.

The party enema, the party enema.
The party enema, the party enema.
