Six Pack Girls

Gonna find some girls tonight My friday night has washed away Beer bong has me wandering around The girls that look like drugs and alcohol Six pack girls, Six pack girls Six pack girls Six pack So you pick her up and you bring her home And you think about it for a while Wake up the next morning and sure enough It's not two girls! Go to work, and then go to bed your friday night, Has washed away your bummed out, About your work 'cause you've already put in, Your thousand hours they're all Six pack girls, They're all six pack girls, They're all six pack girls, Six pack So you pick her up, And you bring her home You take her out, And that's all you're alone, And you want it sure Enough your, stuck with her they're all Six pack girls, They're all six pack girls, They're all six pack girls, Six pack
