

# The Black and White

NOFX

Mr. McCarthy killed the light  
He didn't wake his lovely wife  
He left the key inside the door  
Woke on the wrong side of the bed  
She can't remember what he said  
But she sure knew what he had done  
Little choices in a  
A little town maybe a  
Little man is right to be afraid  
Biblic moralization  
Identity frustration  
Confused man cannot follow his heart  
So he may be fucking her  
But he's thinking about him

Catherine McKinnon does exist  
She likes to call herself a feminist  
A crusader who fights the patriarch  
But what she really hates is sex  
Erotic images opresss  
debases women as a whole

Simple solutions created by black+white thinking  
Too bad the world not work that way  
Catherine should get busy porkin  
That dolt Andrea Dworkin  
I think they need a good hard fuck  
Cause she may be off her back  
Now she needs to get off ours  
The little man sits all alone  
His sexuality's been cut in stone  
He don't love her  
She really don't care  
Two victims of the black and white
