

## The Moron Brothers

NOFX

Talking about the Moron Bros'  
tattooed fingers, tattooed toes

They're idiots, losers, they're scum  
taking advantage of everyone  
you're a dog, they're your fleas  
doing everything they can to spread disease

They'll take your beer, they'll take your drugs  
leave with you microscopic bugs  
their company is something you won't miss  
then your icetrays are filled with piss

They are the Moron Brothers  
don't get along with others

They'll whine, they'll bitch, they'll fuck you if you're rich  
they'll leach, they'll latch, they are the itch you can't scratch

Do do do do do do do do do do do do do do ....

They'll ink your face, tape your eyelids closed  
tabasco's in your mouth  
there's mustard up your nose  
when your head is shaved you'll think the worst has passed  
just try to move your leg  
they've put you in a cast

They may not go down in history  
but they'll go down on your sister  
and your mother  
and your father
