

# The Quitter

NOFX

Be a winner not a problem admitter un quit  
(I quit, I'm shit)  
Better to be a hepper than a  
Healthy 12 stepper, forfeit  
(I'm shit)  
You wanna keep it goin'  
But you don't know how  
Everyone at meetings gets a Löwenbräu  
You quit (I quit)  
You're shit (I'm shit)  
You're a quitter (I'm a quitter)  
And no one likes you

Start a pattern of behavior;  
I see no reason to stop.  
(Don't stop, don't drop)  
You got a habit, got to have it  
'Til it's finished don't drop  
(Don't drop)  
The Charlie Chan's chopped,  
Pabst pitcher been poured  
You got a spare kidney  
And your liver looks bored  
So stop (With friends)  
fucking (like you)  
around (I'm fucked)  
You're buying the next round

"C'mon you gonna Quit?  
You gonna walk away and Quit?  
Mark my words:  
If you ever wanna be a winner  
You're gonna quit talking about quitting  
You got that?"

You wanna be a Thompson,  
Hemingway, Bukowski  
Banging Bill Burroughs lived to 83  
You're fa- (You're a)  
-mous and (fucking)  
you're rich (dickhead)  
quit acting like a bitch

And no one likes you!
