

Vanilla Sex

NOFX

1. Don't ever take away from me my pornography
Obviously we don't agree on what's obscene
I have the right to choose what I want to see and read

R: Don't even try to take away from
me my right to privacy because
what I do is no one business but me

2. So stay in your missionary position I hope that you got bored to d
eath
There's no way I'm going through life having vanilla sex

R: The governments trying to get into your bedroom
better lock your door and close you shades because
there could be someone watching you today

C D C D Am (4x) - solo

R: Why do we try to make things illegal?
Why do we have to be 21?
Some are afraid that people are having
too much fun.
Why do you care what I do in my bedroom?
Why do you want to know how I screw?
It seems to me you've got nothing better to do.
