

What's the Matter with Kids Today?

NOFX

There's something wrong with the kids in my neighborhood
They always listen to your mom
They disregard civil disobedience
They'd rather do what they're told

They don't drink, or fuck, or fight (they don't start fights)
They sit home, and read, expand their minds

There's something wrong with the kids in my cul de sac
They're always going to church
They dress well and they're speaking articulate
They show each other respect

They're never late, don't smoke or break rules (they don't break rules)
They eat right, they study hard, they like school

There's something wrong with the kids in my neighborhood
