We are followers of Jimmy Jones, cutting in the kool-aid line

We are Animal Farm Pigs, we are a Terry Gilliam film  
We are fear Oligarchy, we are wolves in wolves' clothing,  
We are this planet's kidney stones

In the process of getting passed, metamorphosis from first to last

A product of three million millionaires, a hundred million easy marks

We are Marie Antoinette, we are Joseph McCarthy  
We've finally become the divided states  
A nation built on freedom, fear, and hate, the denotation of Irony

We all want a Hollywood end, but we're getting a foreign one  
The script has already been penned, and titled, "the epitaph of a drowning nation"
