

21st Century Schizoid Man

Noir Désir

Cats foot iron claw
Neuro-surgeons scream for more
At paranoias poison door.
Twenty first century schizoid man.

Blood rack barbed wire
Polititians funeral pyre
Innocents raped with napalm fire
Twenty first century schizoid man.

Death seed blind mans greed
Poets starving children bleed
Nothing hes got he really needs
Twenty first century schizoid man.
