# Dirty

**Noir Désir**

Every youth that have my understreets knows I am dirty
Every skank that got a living around me knows I'm dirty
Everybody knows a simple message : I am dirty
Everybody knows a simple message : I am dirty
Since I was born in that (?) I am feeling really dirty
Come with me and try to be like me, I am dirty
We trust in you so try to do like I do, let's be dirty
My mother and my father, my family was so dirty
The war is over, we can sing to doo but we're all dirty

Says I am funny but I am really really dirty
We trust in you so try to do like I do, I am dirty (never do the washing...)
The war is over we can sing to doo but we are dirty
La la la la la (never do the washing-up)
La la la la la (won't never do the washing-up)
La la la la la ...

Everybody knows a (?) message : are you dirty ?
Every skank that are living around me says I'm dirty
Every youth that have my understreets knows I am dirty
Since I was born in that (?) I know I am really dirty
Everybody knows a simple message : I am dirty !

Bo bo bo bo... (dirty)... (never do the washing-up)
Gruik gruik gruik... (No shower, no soap)

The war is over, we can sing together, we are dirty
The war is over, we can sing together, we are dirty
We trust in you so try to do like I do, we are dirty
 (Never do the washing-up)
Since I was born in that (?) I'm feeling really dirty
Come with me and try to be like me, I am dirty
Never do the washing-up

No shower, no soap
No, never !
I don't wanna wash my...
I don't like water !
I don't wanna wash myself !
I don't like water !
I don't wanna wash myself !
La la la la la...
Like a philosophy
La la la la la...
