No No No

hey come on little sister let's go up to the moon she said "honey i don't care and i want no lies". don't need no gales no poems no story from outside no shelter inside all right ?! so listen pretty babe why don't we jump in any train ? to draw nearer to the storm she said "i don't like rain" don't need no gales no poems no story from outside no shelter inside all right ?! there's nothing i can do a part trainer sur les g'noux please don't carry on i'm a frail boy do you want to shoot me down ? but you know sweety girl i'd like to talk with you again i'm like a dog give me some bone she said "hey you're not gone ?!" don't need no gales no poems no story from outside no shelter inside all right ?! there's nothing i can do a part trainer sur les g'noux please don't carry on i'm a frail boy do you want to shoot me down ? don't need...
